

Module MN-BC-LM - Laboratory Module

**Master of Science in
Biochemistry and
Molecular Medicine**

Part 3: Approval and Grading

=> fill out, sign and hand in **to the Examination Office**

Examination Committee

A) Written report

Prof. Dr. Jan Riemer
Chairman

I hereby confirm that Mr / Mrs _____

Matrikel-No _____ has completed his/her laboratory module
under my supervision in the period of _____ with the
project title:

The written report has been handed in on _____.

Grade of written report (70% of the total module grade):¹⁾ _____

B) Total grading

Oral presentation and discussion (30% of the total module grade):²⁾ _____

Final grade ³⁾: _____

.....
Date and signature of the supervising tutor

1) possible grades: 1,0; 1,1; 1,2 ; 1,3 ... - ... 3,8; 3,9; 4,0; 5,0

2) Please document oral presentation using Form "Module MN-BC-LM Part 2", which is provided under: <https://biochemistry.uni-koeln.de/master/documents-forms-organization/from-ws-2023-24-on-master-biochemistry-and-molecular-medicine-msc-bcmm#c41679>

3) The overall grade is calculated from the partial grades 1) and 2) using the mentioned weighting and truncation (not mathematically rounded) to one decimal place

General grading scale: 1,0 - 1,5 = very good; 1,6 - 2,5 = good; 2,6 - 3,5 = satisfactory; 3,6 - 4,0 = sufficient; 5,0 = failed
